Deep Peace for Those Living with Life-limiting Illness

Primary Indications:

- * Supports conscious dying
- * To assist with spiritual surrender when facing the life passage of death
- * When experiencing extreme physical hardship associated with illness, disease
- * To experience connection with loved ones in the spiritual realm and angelic realm
- * Relief from states of fear, loneliness, and anxiety experienced by the departing soul
- * For protection during the threshold experience of death
- * Aids the soul in leaving the physical body peacefully and gracefully when dying

Note:

Methods of administration include oral, topical, or misting. The most commonly used method for those living with life-limiting illness is topical application. Spray on the pulse point inside the wrist, lightly rub in the mixture, then apply gentle pressure for a minute or so while breathing deeply. For the misting method, lightly mist around the whole body, the head, and surrounding body space. Be sure to close eyes and remove glasses before doing so. This method is excellent for children.
