Yarrow Environmental Solution™

**Strengthens a Healthy
Immune Response
When Environmental
Conditions Challenge
Well-being and Vitality**

Primary Indications:

- * As a general tonic and strengthener to help the individual to meet harsh technological and environmental challenges in the modern world.
- * Before and after exposure to radiation in X-rays, video terminals, airports, radiation treatments.
- * When subjected to forces of geopathic stress, strong electromagnetic fields, or other forms of environmental toxicity.
- * To strengthen the immune system, particularly those who are prone to allergies and chemical sensitivities, or other forms of immune dysfunction.
- * During or after times of extreme stress, especially experiences which seem to shatter or tear apart the core sense of identity and integrity.
- * For those with pronounced sensitivity, which is especially affected when traveling, in large crowds of people or similar taxing situations.

Note: *The intended action of this formula is on the etheric level. Anyone suffering from physical illness as a result of radiation or other environmental afflictions should immediately consult an appropriate medical practitioner.*
